

We have the answer...

Register Early!

...for school next year

St. Ethelreda School

Educating Tomorrow's Leaders Today

Here are **10 reasons** why you should register today:

1. Save \$\$\$... there will be **no** tuition increase this year!
2. Save more \$\$\$... register by March 15 and we'll waive the \$100 registration fee!
3. Save even more \$\$\$... refer a new family to St. Eth and your tuition bill goes down with our EAGLE1 bonus plan!
4. New math books... we upgraded all our math books in 2007
5. New computer lab... scheduled for next year, complete with technology curriculum improvements
6. Even greater math & science emphasis: science club, math club, Benedictine University partnership, LEGO robotics team
7. New lighting... St. Ethelreda classes are sparkling!
8. Before/after school care... always available and convenient
9. Faith-based, quality education... our students graduate with core values, high test scores, and bright futures!

Reason #10 is respect. **R.E.S.P.E.C.T.** At St. Ethelreda, you know that your children are taught to respect education, faith and their elders in a safe, caring environment!

St. Eth is now accepting student applications for next year. We have the answers for your students, so please register today. School will be great in 2008 and very fine in 2009!
