Principal Spells Says...

Early Registration Reminder

Dear St. Ethelreda Parents,

It's the middle of February. Will winter ever end this year? Well, let me distract you from the weather for just a second:

Register Now... for the next school year

Yes, we are now accepting early registration for the 2008-2009 school year at St. Ethelreda School. Attached to my reminder are two things:

1. A **fun flyer** of the Top Ten reasons to register early
2. A **registration form** for you to complete and return to school

Early registration is vital to our planning process for the future. We are all busy these days, but please take a moment to complete the registration form *right now* and send it in. This will secure your spot at St. Ethelreda for next year. Register early, by March 15, and we will waive our usual \$100 registration fee. So please act now!

There is one more thing noted in the flyer that I want to emphasize. There will be **no increase** in tuition at St. Ethelreda next year!

We run a tight ship and watch our costs very carefully. Times are tough for many families, and this is our way of trying to help. Every penny of your tuition payments goes toward a quality education for your children, based on hard work, faith, and strong values.

Finally, I want to thank you for entrusting your children with myself and our wonderful staff here at St. Ethelreda. We offer a unique educational experience to our students, your children. And the best part may be that St. Ethelreda is improving every day. As you read the early registration material, know that we are committed to making next year the best ever at St. Ethelreda School.

Thank you and stay warm! My door is always open; please stop by if you have any questions. You can also email me at dspells@stethelreda.org.

Peace, ds
