

Ultra Foods

&

SE PTO

Ultra Foods has continued their commitment to contribute to the community through a partnership with St. Ethelreda's PTO. They have designed a simple donation program which would allow you to contribute to the school through your everyday activity of grocery shopping.

When you shop at the Ultra Foods located at 3250 W. 87th Avenue, be sure to **SAVE** your receipts! Receipts dated October 1, 2007 thru December 31, 2007 can be contributed to the **St. Ethelreda Educational Fund**. Ultra Foods will contribute **5%** of the total of funds spent back to St. Ethelreda, and a maximum of \$100,000.00 could be donated back to the school.

Each week deposit your receipts in the bin located outside of Principal Spells office. Receipts **cannot** be copies, nor can they be **altered** in any way, and they should be in a readable format or they cannot be counted towards the total number of receipts collected.

Funds collected will go towards the purchase of new computers for the classrooms, as well as other classroom materials to enhance the educational experience of our children.

If you have any questions concerning this program, please contact Lillian Frazier at 708-280-9665 or you can send email at lfrazier@stethelreda.org. Please be sure to put *Ultra Foods* in the Subject heading of your email message.

We have an awesome opportunity to raise funds based on an everyday task...so let's get shopping
