

August 13, 2009

Dear St. Ethelreda Parents,

Due to circumstances beyond our control, the beginning of our school year has been delayed.

**ST. ETHELREDA SCHOOL
WILL OFFICIALLY OPEN ON
MONDAY AUGUST 31, 2009**

On Monday, August 3, the entire lower level of the school was flooded with 2-4 feet of water from the boiler room to the kitchen. Needless to say, the whole area has to be remodeled and new flooring put down in some areas. This is going to take some time; therefore we have to delay the opening of school.

The office will be open and the faculty and staff will be here the week of the 24th. Business (tuition, registration, etc) will be conducted as usual during that week.

I apologize for any inconvenience this delay will cause you. I am certain you will be pleased with our new look and the 2009-10 school year will be a peaceful, positive and productive one.

Peace,

Principal Spells
