

8/23/10

Dear Parents,

Welcome to a new school year!

This year promises to be one full of excitement and surprises. Be ready! It was a great joy to see so many parents this morning joining us in our prayer circle. We extend an open invitation to you to join us in our morning prayer every day. And know that our doors are open for you to visit your child's classroom and teacher anytime.

There are a few things I would like to remind you of for this week:

- Every child will receive a lunch application. However, you only need one per family. Send any extras back. Read the directions carefully and make sure you fill out all required information. Return the application tomorrow.
 - If you are new to our school, you will receive your status (full, free or reduced) within three days.
 - Gym classes are on Tuesday and Thursday. Students wear their St. Ethelreda tee shirt and shorts under their uniforms. Bring white socks and gym shoes to school in a bag/book bag. Make sure all clothes are labeled.
 - Everyone, including preschool, will have to bring lunch this week.
 - Please return the student Enrollment/Emergency Form as soon as possible.
-
- All parents should have signed a tuition contract with Tuition Management System by now. This does not apply to those who qualify for Child Care Initiative.
 - Remember, you receive an \$800.00 scholarship for each new family you refer to our school.
 - If you have a question about anything, please call us.

Sincerely,

Denise Spells
Principal
