

## ACADEMIC POLICIES

### BASIS FOR GRADING

Grades are based upon active participation in class, preparation for class, satisfactory completion of assignments and performance on test/quizzes.

### REPORT CARDS

Report cards are issued four times a year. An Interim Progress Report is given midway through the quarter to each student to alert the parent about the subject area in which the child is not making adequate progress. Parents must meet with the teacher twice a year (first and third quarter) as mandated by the State to discuss their child's progress.
